Timeline (Date Range: 16. Jan. 12 to 16. Jul. 12):

The timeline is a Gantt chart showing project progress. The x-axis represents time from January 16, 2012, to July 16, 2012, with weekly intervals. The y-axis represents tasks. The chart shows a complex schedule with multiple tasks, some of which are critical, in progress, or have milestones. The tasks are represented by horizontal bars of different colors and patterns, corresponding to the legend. The chart is divided into two pages, with the second page showing the continuation of the timeline.
